BOYS, STATE

RANDY RIDENHOUR AND LYDIA RAMOS

GIRLS, STATE

Lydia and some of the gang

Randy attended Boys' State in Sacramento at Sacramento State College. Boys' State was held June 21-28. Lydia attended Girls' State in Sacramento at Sacramento State College. Girls' State was held June 28-July 5. There were 500 boys and girls from schools all over the state. First, they were taught about the local government in Sacramento and elected city officials, who went through the law-making process. After studying city government, they learned about government on the county level. They, also, elected officials who made laws. Then they went to the biggest part of Boys'/Girls' State--the State government. Nominations were taken out and speeches made. Finally, there were the primaries in each party. Then the candidates from each party ran against each other. Next, the elected officers enacted law and measures in much the same way the California government does. Additionally, there was a big stress on friendship because without unity government can not succeed.

CLASS OF 1977

The graduating class of 1977 is on the road to a successful future after completing four years of total dedication and determination in school work! Many social gatherings which were held on private premises contributed much to the outcome of the class. Education at Orestimba has been an experience for the class which they will probably never forget.

CLOCKWISE: MARK ALVERNAZ-TREAS., DEBBIE THOMAS-SEC., ANNETTE BARRINGTON-PRES., LYDIA RAMOS-V. PRES.

Along the Upper Road a tiny Rose was raised,
A pretty lass of summers few.
Copper brown her curly hair,
Her eyes were speedwells blue.

Then an Angel straying far
Kissed her copper beach brown hair;
Glistened on her lovely locks
And burnished gold a halo there.

"Who are you?" the Angel said.
At the sound she raised her head.
Smilingly she looked at him,
"I'm Diane, the child of Rose" she said.

And in the choirs of heaven today
There's a young jubilant chord.
For also in heaven there are girls who pray,
And Diane Rose is with her Lord.

JUNIORS

This year the Junior Class of Orestimba won the float competition and also the princess contest for the third consecutive time. It is apparent that they do have some creative talent and some attractive girls in their class. This year's underdogs in the spirit stick competition have been upset by the Sophomores and the Seniors. However, they are determined to make this year a year to remember since they are on their road to becoming next year's Seniors!

FRESHMEN

This year's freshmen class soon learned how to cope with the competitiveness of high school. They did this by winning the spirit stick at the Homecoming Rally and by winning second place in the float competition. The freshmen have, also, contributed a lot to the school, not only fine athletes who helped the J.V. football team win co-championship, but also a lot of cute girls who help brighten up the school. The boys aren't too shabby either.

Other Warriors making All-League on defense were Safety David Rocha with 25 tackles and 3 interceptions and Defensive End Mike Hill with 64 tackles and 2 touchdowns.

Carlos, the floor not the head!

The Senior dominated squad tries hard in spite of inexperience. Offensively the team works well. The Warriors can score, but the opposition keeps going to the hoop. The leaders of this year's Varsity are Soph. Carlos Maldonado, Jr. David Haynam, and Senior Rick Nevarez. All average in double figures.

J.V. BASKETBALL

The O.H.S. Braves' Basketball team is comprised of mostly freshmen. The hard-working guys never quit trying. The few sophomores have worked hard to carry the load. Sophomores Howard Kong, Frank Luna, Lew Ragsdale, Rick Pacheco, and Alfredo Castro have helped strengthen the team.

The freshmen have tried to learn and to contribute as much as possible to the team effort.

With the hustle the team has shown thus far this season, success is not far from their grasp in the near future.

FLASH- BACKS

It has been another school year
And again we shall shed another tear.
Once or twice we have made mistakes,
But we shall not learn until we awake
And we realize it was not Heaven.
This year of nineteen seventy seven,

by Jeff B.

Courtesy of the Index

Aches, pains the tears
of crying from laughter.

Embarrassment related
to clumsiness.
The twisting of shoes,
heads stuffed in lockers.
Even as far as wiping the
thrown tomato off your face.

Exhaustion and sweat from rallies.
The thrill and frustration of
class competition.
Forget the judges, they can't hear.
My class always won.
One, two, three SENIORS--

Exhilaration, the best
feeling to obtain.
For me satisfaction, a feeling
of great accomplishment.
Second place floats always
deserving first.
Daydreaming of the big goal.
Graduation.

The memory of feeling
always a part of my heart
looking back on the years
at O.H.S.

by Net

Looking back
on another year
seeing happiness
as well as
sadness.

Laughter of friends;
some to say a
longed goodbye.

Asking only
never to forget
the good times
of '77.
